

Closing your account

- 1** Go to www.homeswapper.ie and login
- 2** Hover over **My details** at the top of the page and click on **My account**
- 3** Scroll to the bottom of the page and click on **Close account**
- 4** A box will appear, which will ask you if you have found a swap...

If you click Yes

You'll be taken to a form, where you'll need to put in details of the person you want to swap with

Then click **Send** and you'll receive a message asking you to confirm this

Click **Confirm** and your account will be closed and your local authority will get in touch about the swap

If you click No

You'll be given some information about closing your account

Once you've read this information and are happy with it, simply click on **OK** and your account will be closed

Reactivating your account

All you need to do is log back in using the same details and your account will be reactivated!

HomeSwapper remembers all your settings, even if you've closed your account
