

New Swapper checklist

You've taken the first step in finding your new home and signed up to HomeSwapper – congratulations!

Before you start searching, there are a few steps you'll need to take to make sure that your home advert is looking as great as it can. Doing these simple things will give you the best chance of finding that mutual exchange.

Check off the list as you go – with each tick you'll be closer to finding your perfect home!

Enter your details and information about your household

Enter information about the location you want to move to – include multiple options if you want

Enter details about the home you're looking for – be open minded!

Complete information about the home you've got

Write the description including all the best features of your home

Upload some lovely photos of your home – show it off!

Wait for your landlord to approve your account. It shouldn't take more than 1 working day!

Got too many matches? Narrow down your match filters even more – choose home features and enter some keywords to search for

Get talking! If you see a home you like, contact them using the messaging feature

You can find detailed guides for completing these steps in your New Swapper Support Pack.

Good luck!
